

Connecticut After School Network

The quality of an after school program is directly related to the experience and education of the people who staff and administer the program. Professional development and education enable after school program staff to provide the highest quality of services to the children and youth in their care. It can also lead to career advancement.

Our Training Consultants can come to your site and provide training on topics of interest to you and your staff.

For information contact the Network at 203-483-1846 or email info@ctafterschoolnetwork.org

The Connecticut After School Network provides professional development training and technical assistance opportunities for those working with children and youth in Connecticut.

Our dedicated corps of professional trainers provide a wide range of workshops designed to enhance the skills of after school professionals.

With backgrounds covering a full spectrum of topics – health and nutrition, academia, art, music, administration and more – you're sure to find the perfect fit for your staff!

Testimonials

“These trainings truly make a difference in improving our staff’s ability to deliver high quality services.”

“Excellent tips and pointers. The material distributed was great and will be implemented!”

“A high quality workshop with a wonderful presenter. We would use her again.”

Additional topics can be developed to meet the individual needs of the program. If you have any questions or are interested in becoming a trainer, please call the Connecticut After School Network.
