

Summer S.U.C.C.E.S.S. Action Plan

| Area of Focus | Steps I can take at my site to implement this strategy: | Who can help? | By when? This summer? Next year? |
|--|---|---------------|----------------------------------|
| <p>Set Goals: Excellent summer programs have a handful of learning goals that guide young people toward all summer; 3-5 academic, social and developmental goals.</p> | | | |
| <p>Understand what kids and families want: Excellent summer programs respond to the needs of a community.</p> | | | |
| <p>Create Intentional Learning Experiences: High quality summer programs plan their activities with the intended goal in mind.</p> | | | |

| Area of Focus | Steps I can take at my site to implement this strategy: | Who can help? | By when? This summer? Next year? |
|---|---|---------------|----------------------------------|
| <p>Communicate Expectations to Staff: Help staff understand what it means to be an excellent employee.</p> | | | |
| <p>Engage Kids with Creative Approaches: Offer learning experiences that are unique to summer and different than the regular school day.</p> | | | |
| <p>Structure Time Efficiently: A well-organized schedule can contribute to increased program quality.</p> | | | |
| <p>Seek Partnerships: Collaborate to increase access and participation.</p> | | | |
