## **Staff Meeting Starters**

The Network's  
way of making  
your life easier...

## Introducing Staff Meeting Starters

We know that as After School Program Directors you spend a good deal of your time managing the day-to-day conflicts and crises that seem to never end. Putting out little fires throughout the day!

But you also want to offer your staff the best possible professional development opportunities, and on a shoe-string budget, that can be a challenge.

The Connecticut After School Network wants to make your life a whole lot easier with a new series of professional development training modules that you can personally utilize in your in-house staff meetings.

Each Module has everything you will need to conduct a professional staff meeting with engaging topics and hands-on resources!

## Keep Your Staff on Top of Their Game With This New Tool

High quality programs require knowledgeable and effective staff! You can grow and retain staff through engaging training that gets them excited about their work and increase confidence in their abilities.

### Each Kit Includes:

- Guide
- Power Point presentation
- Handouts
- Workshop Evaluation Forms
- Resources for More information

Training Kits are easy to use, include “trainer tips” to enhance presentation skills, and include activity ideas and suggestions to meet the needs of YOUR staff.

## Staff Meeting Starter Topics
