Living the Mission of After School

Game of Popcorn

4. Activities and Programming

A quality program offers interesting, enriching, and engaging activities that foster creative thinking, spark curiosity, develop academic and social skills...and are fun!

A quality program is one where:

	PERFORMANCE LEVEL				PLAN TO IMPROVE		
	1	2	3	4	RIGHT NOW	SIX MONTHS	TWELVE MONTHS
1 Daily activities support the program mission and vision.							

What is a “mission statement”?

“Kool Kidz After School Program provides a safe place for children to learn, explore, make friends, have fun, and build skills to last a lifetime.”

Making mission goals a reality
“Practice makes perfect!”

FISH! Philosophy

- **Be There.**
- **Play.**
- **Make Their Day.**
- **Choose Your Attitude.**

“Through The FISH! Philosophy, we build stronger relationships with the team members we work with, the customers we serve, the students we teach and the people we love.”

Make the commitment stick!

Proclaim it.

- Live it.
- And...

Celebrate!

“Usually when we prepare for a celebration, we work hard to decorate the physical space with balloons, posters and streamers. What if we put as much effort into decorating our emotional space— with thanks, compliments and encouragement?”

How “fishy” are you?

Quality After School Programming is our goal. To reach that goal we must:

1. Plan activities to meet the mission goals.
2. Create a team of people who are committed to making the mission happen in real time.
